

DIAGONAL PORT

FLAT FOR SALE IN BARCELONA - DIAGONAL MAR

Residential complex consists of 143 apartments distributed in two spectacular towers of 16 floors each one. Apartments with 1, 2, 3, 4 and 5 bedrooms, highlighting the large terraces in penthouses and first floors. Start of construction August 2016 and delivery is scheduled for March 2019.

It is a gated community with common areas designed for leisure and sport without leaving home, optimizing the most of your free time in an environment created to enjoy the day. The roof of the building will have a nice infinity pool and a large chill-out area overlooking the sea and the city, while on the ground floor of urbanization we will find a playground, social-gourmet, gym, children's play room, study room, beauty salon and toilets.
