

ARTISTS' DESTINY

HOUSE FOR SALE IN SITGES

Sitges is a town fully devoted to art, where the luminist school emerged in the mid-nineteenth century, the ideal cradle for this property of spacious rooms and gardens, which reflects this passion for art and light. The old fishing village with a residential population, combining mansions, architectural gems and structures of ultramodern designs. The wonderful and relaxing views from its rooms, all exterior, without losing welfare. The equation proposes nine ensuite rooms, a library, a cinema area, a polyvalent rooms, swimming pools (exterior and interior) ... But the result is: High quality of life at its maximum power.
