HOUSE FOR SALE IN ESPLUGUES DE LLOBREGAT - CIUTAT DIAGONAL

Once I was told that housees are built to be lived in not for being contemplated. Although this approach can be accepted as irrefutable, you will share with me that a level of elementary requirement is applied. We feature a property that will put the above statement against the ropes. Conceived for the well-being of its inhabitants, light is the main protagonist and its spacious rooms take advantage of this pre-eminence by projecting completely to the outside. A terrace full of flowers, panoramic views from all its rooms and from the spacious living room, presided by a majestic fireplace. Especially recommended for all those who wish to live in the most privileged part of Ciutat Diagonal. Elegance in its useful 579 sqm to satisfy those who want to find beauty in harmony with well-being. It has a rational distribution into four floors connected also with elevator: a courtesy room, four double rooms with two bath
