

URBAN HOUSE WITH PANORAMIC VIEWS OF THE SEA AND THE CITY

HOUSE FOR SALE IN BARCELONA - SARRIA

Spectacular house of 545sqm on a plot of 400sqm. It consists of basement floor where we find a studio and garage for 2 cars and motorcycles, ground floor + 2 half floors and roof-solarium of 57sqm. The house has a 24sqm pool, 50sqm living room, kitchen, 5 bedrooms and 6 bathrooms that become "wellness" spaces.

Brand new residential development of six magnificent houses in the exclusive Sarrià district, a high standing residential area of Barcelona, in Can Carleu neighborhood. These houses are a reflection of its Mediterranean environment. Its design with local materials creates a horizontal architecture that makes it an example of elegance. They are nearby a natural park. All of them enjoy spectacular panoramic city views and the sea.
