

AN OASIS IN THE MIDDLE OF PUTXET

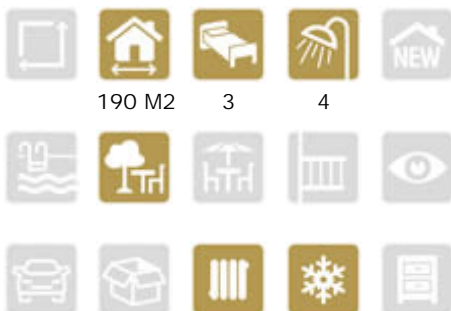

FLAT FOR SALE IN BARCELONA - EL PUTXET I FARRÓ

In the middle of the Putxet, in a pedestrian area and receiving all the sun from a south facing home, we find this oasis inside the city with a spectacular terrace of 132sqm. Three floors of housing with a really surprising luminosity. The distribution is as follows: On the main floor we find a bathroom, the open kitchen and a living-dining room of 50sqm that leads to a spectacular garden-terrace with plants and trees. On the upper floor we find the double bedroom and the suite (they have a small terrace overlooking the garden), a third single bedroom and a bathroom. The lower floor is a multipurpose diaphanous room with a 3rd full bathroom.
