HOUSE FOR SALE IN ESPLUGUES DE LLOBREGAT - CIUTAT DIAGONAL

If you take the time to read the descriptions on this page, I think you will come to my conclusion. But this is a special house that cannot be described with a simple enumeration of adjectives or with a more or less enthusiastic description of rooms and bathrooms. So I recommend that you look closely at the photographic report and try to capture the soul of this property. It is not easy but it is one of those rewarding exercises and once understood and appreciated it, it will still surprise you during your visit.

Certainly some basic information is necessary such as the house has three double bedrooms within baths, a master suite with bathroom and dressing room, maid's room, laundry and storage room. Private swimming pool and garden area in its exterior parts, large garage, and all the technology at the service of comfort that you could wish for. Natur
