HOUSE FOR SALE IN SANT JUST DESVERN - CAN SAGRERA

Rootedness. Its first definition in the dictionary is: Strong, firm, and lasting attachment. This definition illustrates the feeling that describes what a home should be. Few things can compare to the pleasure of living in a house, where this rootedness becomes more evident, especially in its beautiful and spacious private garden, with a terrace under the porch, as well as in the structure of this property that emphasizes the connection with the land, its direct contact.

We invite you to discover it in this four-bedroom, three-bathroom house, one of which is en suite. Additionally, it features parking and a storage room, as well as an interesting and original space in the attic, and another large area that can be used as a play area, creative workshop, or work/office area. The property includes an extraordinary com
