

RENOVATED APARTMENT WITH BALCONY AND CLARITY IN EIXAMPLE

FLAT FOR SALE IN BARCELONA - EIXAMPLE ESQUERRA

Dream flat in the Eixample Esquerra area of Barcelona. This property, with 106 square meters of built space, features 4 original rooms (currently 2 bedrooms) and is perfect for a family looking for a comfortable and welcoming home without the need for renovations.

We highlight the spacious living room, which, thanks to its orientation and large windows, provides a spectacular influx of natural light throughout the year. Additionally, there is a balcony.

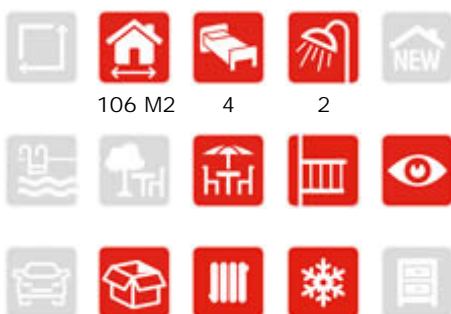

The kitchen is of the office type, with a modern and functional interior design, equipped with high-quality furniture.

The bathrooms have a perfect layout, and both are equipped with shower stalls for added convenience. Currently, there is one double room and one spacious single room. However, it is possible to restore the original state and obtain
