

REFORMED HOUSE FOR SALE IN ST. PERE NORD

HOUSE FOR SALE IN TERRASSA - SANT PERE (NORD)

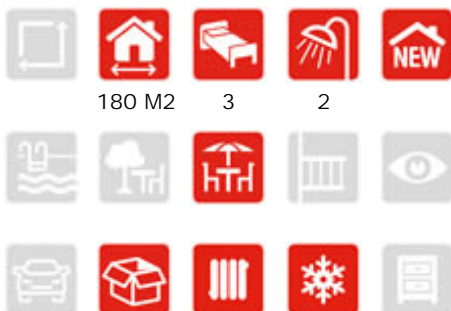

Renovated house brand new in Terrassa, in the Sant Pere Nord neighborhood. It is an old townhouse from 1985, on two floors, completely renovated in 2024.

The first floor consists of a spacious private garage with access to an automatic door, with capacity for 2 cars and motorcycles; and a large versatile area of 35 m2 ideal as a studio or recreation area. This floor also includes a guest toilet and utility area. On the upper floor, we find a spacious living-dining room with a semi-open kitchen and access to a sunny private terrace. The night area consists of one double and one single bedroom, both exterior and very bright, as well as a second complete bathroom with a bathtub.
